## Cost breakdown for an eco-psychology course in the Kruger National Park

---

### **COST PER PERSON:**

R6000

Included in cost:

- ❖ Four nights accommodation
  - One night at Pretorius Kop, two nights at Tambotie and one night at Skukuza.
- ❖ All meals and drinks, including stops for food on the road to and from Johannesburg. Alcohol excluded, except for the bush braai on the last night.
- ❖ Materials and 'survival pack'. The survival pack is to be taken home.
- ❖ Two night drives plus one bush braai.
- ❖ Staff gratuity included in the costing.
- ❖ Conservation fees.

NOTE: This cost is dependent on the number of people coming for training.

For twelve people attending the course, this will come to a total of R72 000.

### **NON FLEXIBLE COSTS:**

R47 000

Included in cost:

- ❖ Facilitation costs
- ❖ One assistant
- ❖ Accommodation, activities and food for assistant and facilitator
- ❖ Travel costs for assistant and facilitator
- ❖ Conservation fees for assistant

NOTE: I will be using my own vehicle, a Land Rover Discovery, which will assist with transport within the park.
